

# KIKI GOES TO SCHOOL

An illustration of a man and a girl standing in front of a school building. The man, on the left, has a beard and is wearing a brown jacket over a red shirt. The girl, on the right, has dark hair and is wearing a blue dress. The school building has a red roof and a sign that says 'SCHOOL'. There are trees and a flag in the background.

It's a new school year and Kiki is excited to meet her new classmates, teachers, and discover what new subjects await her.  
Kiki's dad, Rob, drops her off at school and wishes her luck on her first day.

She heads to the school auditorium, where all the students are gathered to meet their new teachers and the rest of the staff that work in the school.

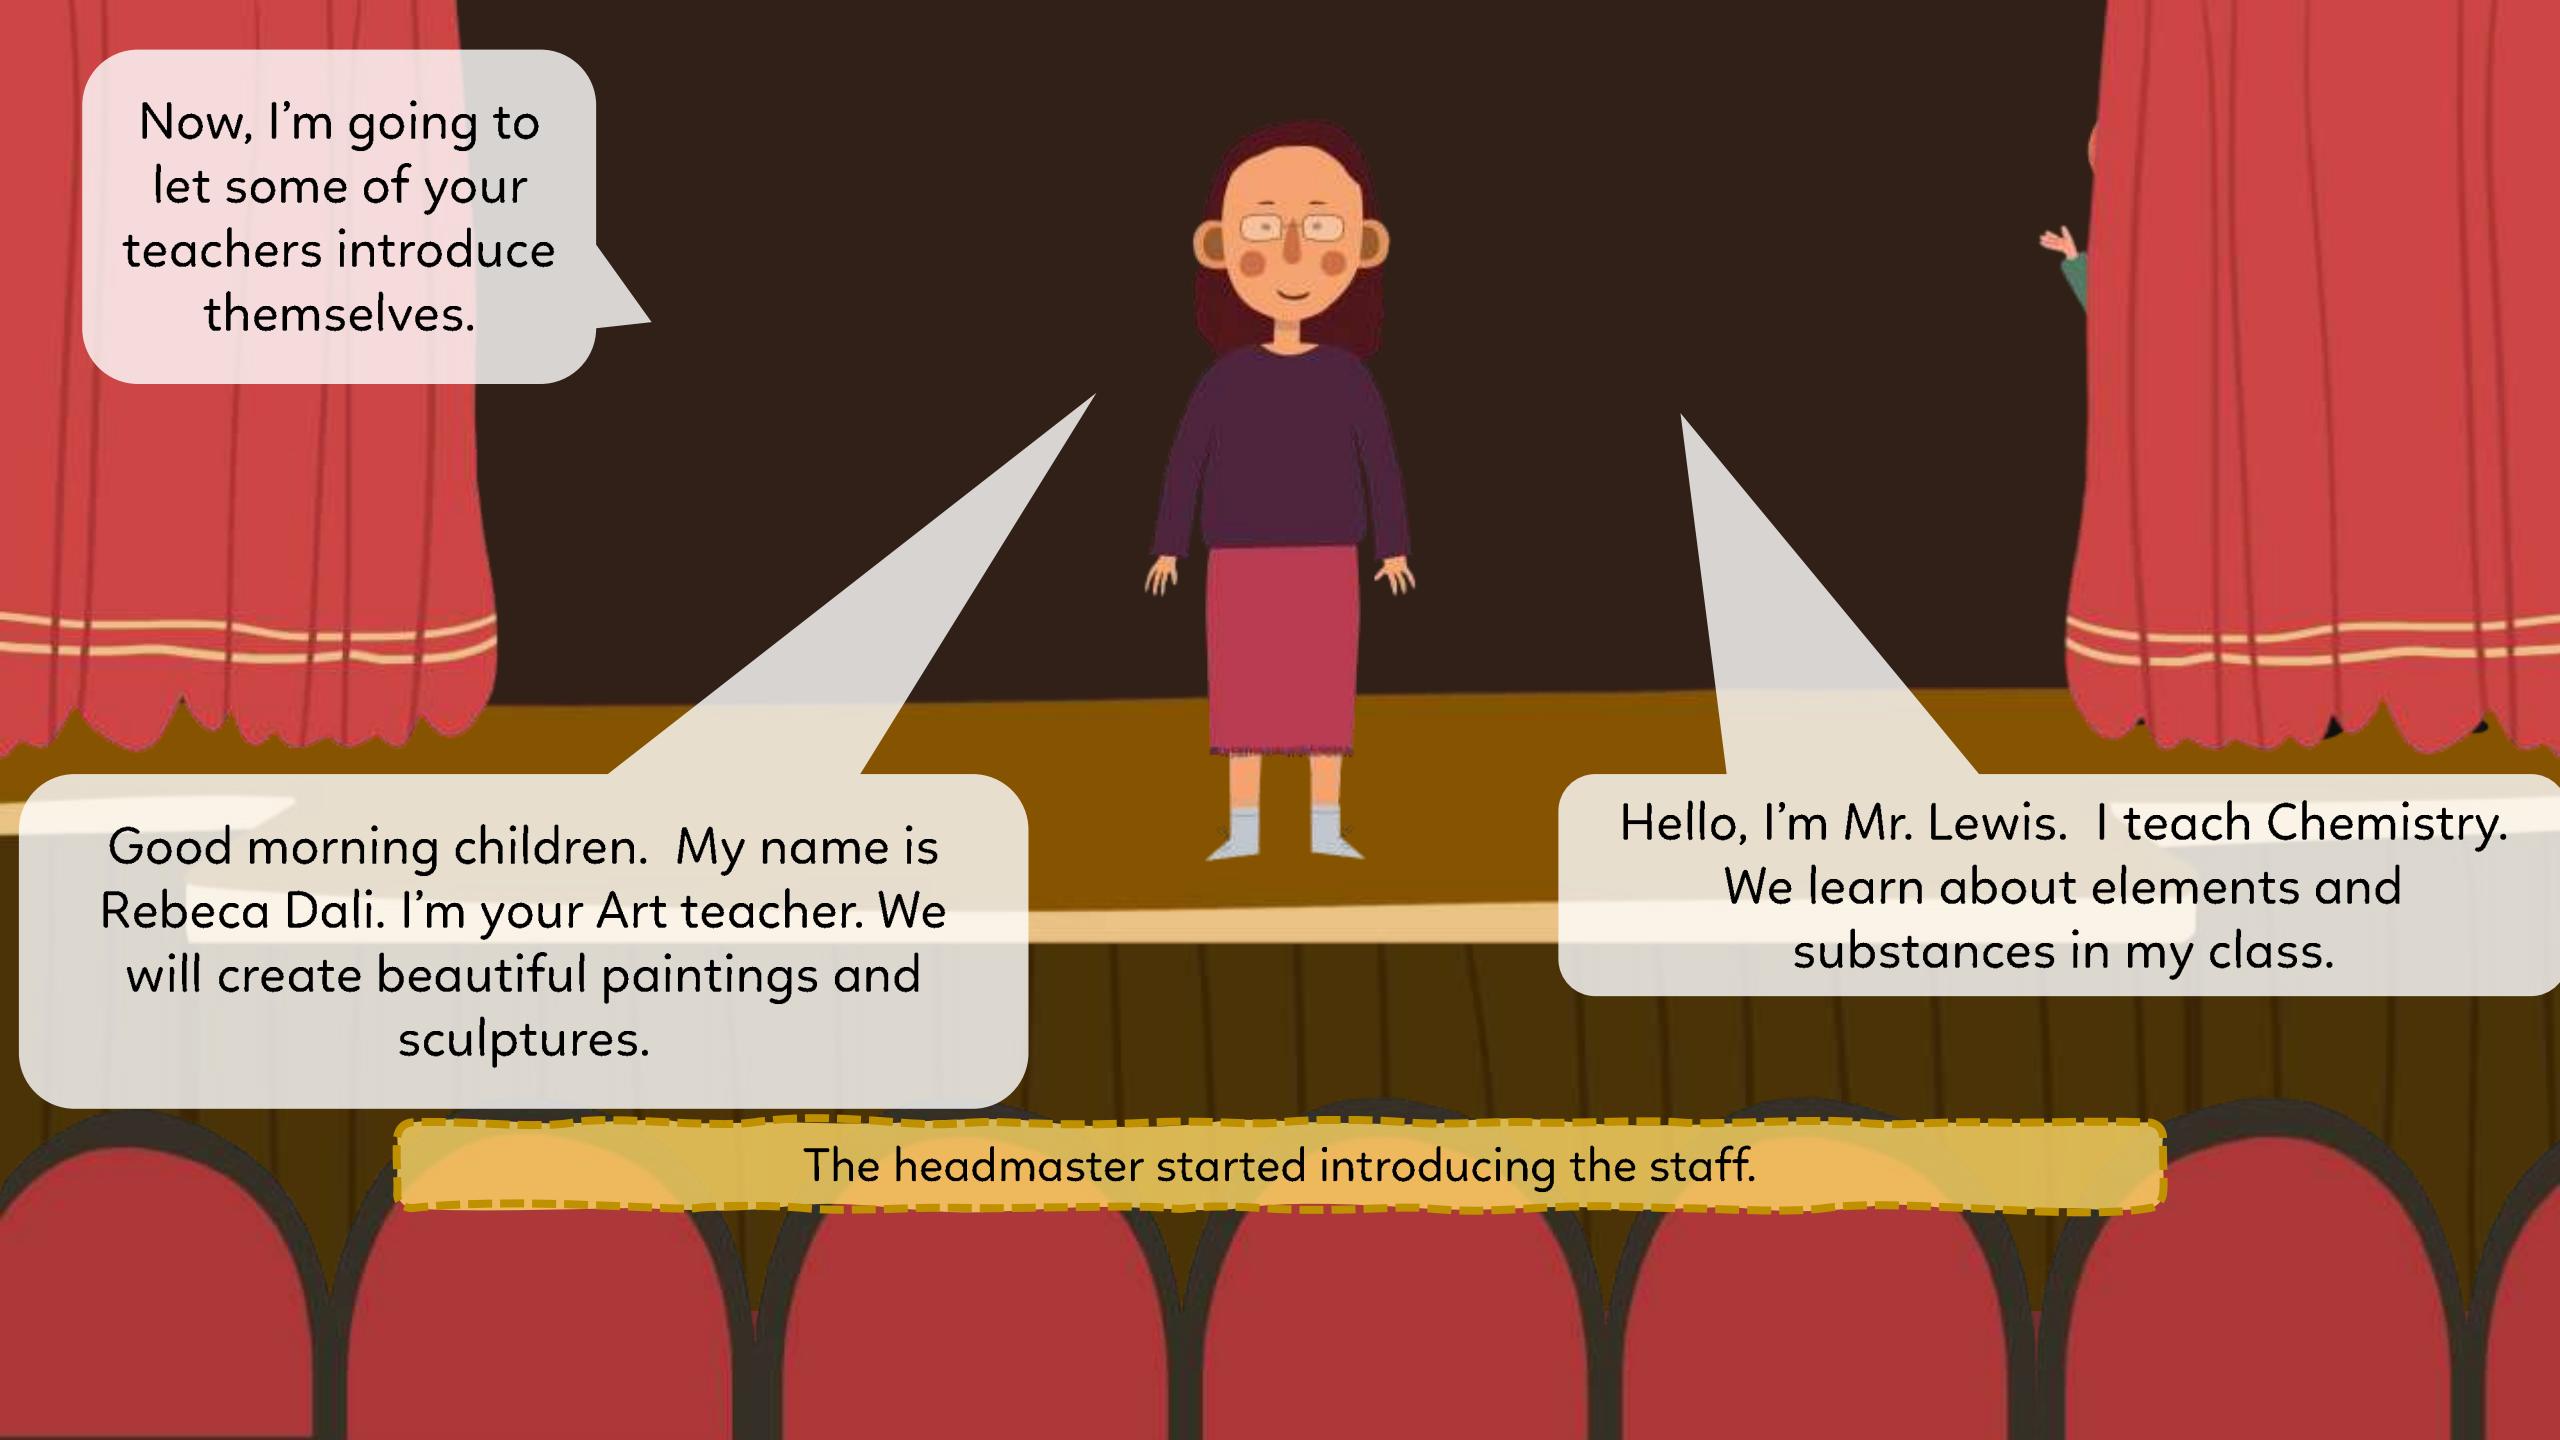

Good morning, dear students! It's a pleasure to see you all again. I want you to meet the members of the staff.

All the students gathered there and waited patiently. The headmaster enters the auditorium along with some other teachers.

This is Ms. Gomez,  
the librarian. Next,  
Mr. Willis, our  
janitor

After that, she started introducing the rest of the personnel.

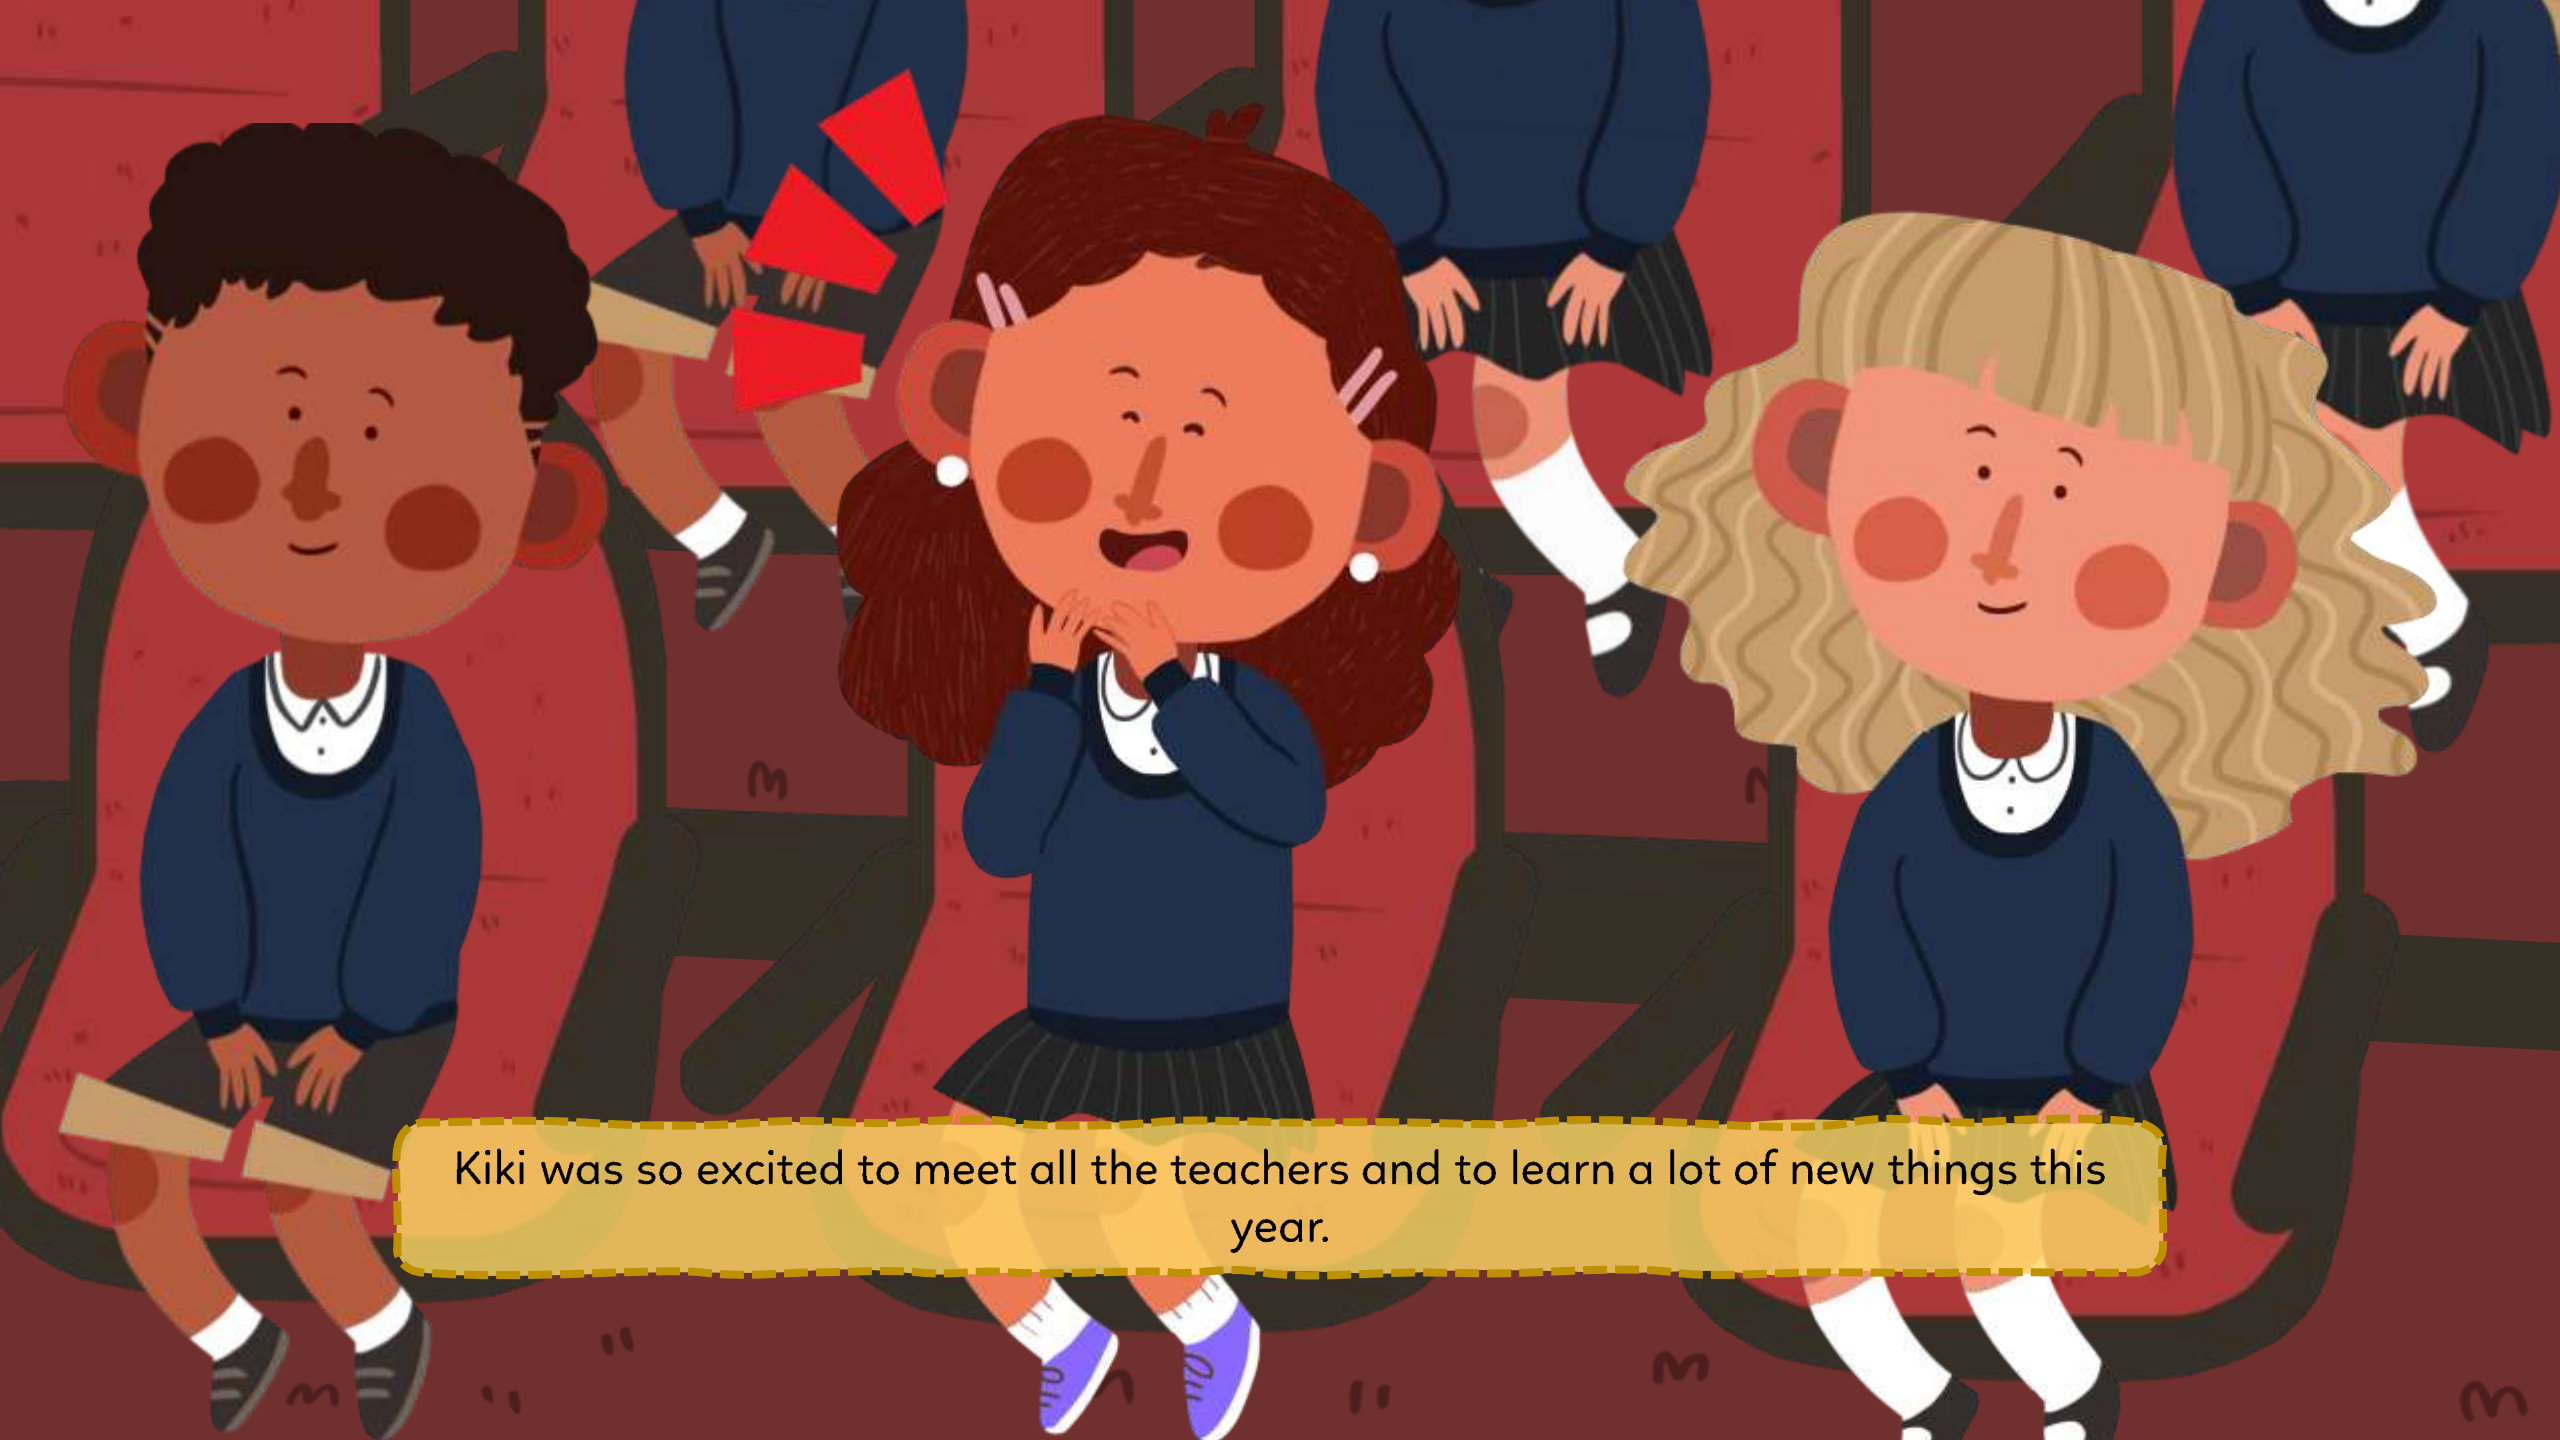

Now, I'm going to let some of your teachers introduce themselves.

Good morning children. My name is Rebeca Dali. I'm your Art teacher. We will create beautiful paintings and sculptures.

Hello, I'm Mr. Lewis. I teach Chemistry. We learn about elements and substances in my class.

The headmaster started introducing the staff.

Kiki was so excited to meet all the teachers and to learn a lot of new things this year.

A teacher with short blonde hair, wearing a purple long-sleeved shirt and a pink skirt, stands on a brown stage. The stage is flanked by red curtains with white stripes at the bottom. The background is dark. In the foreground, the tops of several red seats with dark outlines are visible.

Alright kids, now it's  
time for class!

After the welcome, all the kids rushed to their classrooms to start their lessons.

Kiki went back home after school. What an amazing day she had!
